Dear Mr. Foster:

Enclosed are an original and four copies of revised pages for the United Telephone-Southeast, Inc. General Subscriber Services Tariff. These revisions are submitted with an October 15, 2002 issue date and a proposed effective date of November 15, 2002. These tariff revisions are available on Sprint's website at www.sprint.com/tariffs.

The tariff pages enclosed for review and approval are as follows:

Section U4	Sixteenth Revised Page 2
	Twenty-First Revised Page 3
Section U13	Thirteenth Revised Page 9

The purpose of this filing is to make price reductions with respect to the price index filing.

Acknowledgement and date of receipt of this filing are requested. A duplicate letter and a self-addressed stamped envelope are enclosed for this purpose.

Authority consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, you may call Shelia Sharp toll free, at 877-301-5712 or Kaye Odum at 919-554-5277.

Sincerely,

Darlene N. Terry

U4. SERVICE CHARGES

U4.2 RATES

	<u>Residence</u>	<u>Business</u>	
a. Service Ordering Charge - (Regular)	\$19.25	\$30.50	(R)
b. Local Access Line Charge (ALC) Central Office	8.25	8.25	
c. Trip Charge (TC)	17.30	40.00	

U4.3 INSTALLATION CHARGES

Installation Charges for certain items of service other than basic service are identified and presented throughout this tariff if applicable. These charges apply in addition to the charges listed in Section U4., as appropriate.

U4.4 MINIMUM BILLING CHARGE

- a. A minimum billing charge is determined by applying to the basic charge the percentage which the unexpired portion of the initial service period bears to the full initial service period.
 1. The minimum billing charge and the initial service period are indicated in the section of this tariff covering the service items to which they apply. The initial service period is shown in brackets following the amount of the minimum billing charge.
- b. When a subscriber discontinues one or more units of a group of the same item, the equipment latest installed shall be considered as the equipment first discontinued.
- c. When a subscriber cancels an order for service which has a minimum billing charge prior to the establishment of that service, a cancellation charge applies equal to the cost incurred by the Company in engineering, ordering and providing the equipment and disposing of it, less credits obtained.

U4.5 RESTORATION CHARGE

- a. In the event service is temporarily suspended for non-payment of charges, the service will be restored upon payment of the charges due, or at the discretion of the Company, payment of a substantial portion of the charges. In addition, a \$22.00 charge applies for restoral of the service.
- b. When service is restored following a customer-initiated temporary suspension of service (Vacation Service), the \$22.00 Restoration Charge applies.

U4.6 MAINTENANCE OF SERVICE CHARGE

See Section U15.

U4. SERVICE CHARGES

U4.7 RETURNED CHECK CHARGE

An administrative charge of \$25.00 will be applied by the Company for each time a check or bank draft is returned by a bank to the Company for the reason of insufficient funds.

U4.8 NONPUBLISHED AND NONLIST NUMBERS

There is no additional nonrecurring charge to establish the listing as nonpublished (private) or nonlist (semi-private). A monthly recurring charge as specified in Section U6 will apply.

U4.9 TELEPHONE NUMBER CHANGE

A charge of **\$21.00** for Residence and \$38.50 for Business will apply to change a telephone number.

(R)

U4.10 APPLICATION OF CHARGES

U4.10.1 GENERAL

a. Except as provided in this tariff, the following are subject to service charges:

- (1) All classes of main station service
- (2) PBX trunks
- (3) Key and Pushbutton service
- (4) Tie-lines
- (5) Toll terminals
- (6) Miscellaneous service arrangements

U4.10.2 SERVICE CHARGES FOR CONNECTION OF NEW SERVICE

- a. Except as provided in this tariff, all requests for service requiring either service ordering, access line work or trip to premises, are subject to the appropriate charges required to provide that service as provided for in U4.2 preceding.
- b. Where the service desired requires more than one access line, the sum of the separate charges for each function applies except as provided in this tariff. Only one service ordering charge applies per order written regardless of the quantity of work ordered.
- c. When service is re-established at a location which has been destroyed by fire or made untenable by fire, wind or flood, service connection charges do not apply. If the subscriber desires service at a new location for a temporary period, service connection charges will apply. Changes in the location of existing stations to points outside the premises occupied by the subscriber are considered new service connections at the new location.
- d. Service charges may be required to be paid at the time of application for service.
